Parent Evening on Thursday 18th April 2024
Online Video Appointment Booking

I would like to invite you to attend our Year 12 Parents' Evening on Thursday 18th April 2024. The evening will run **between 5-7.30pm**. This is a valuable opportunity to discuss progress in all chosen subjects.

We will be holding all our Year 12 parents' evenings by video appointment this year through SchoolCloud. This easy to use system allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments. We have had positive feedback from parents so far, and would welcome further feedback from you.

Booking will open on Wednesday 27th March 2024 at 9am and is first come, first served. Appointments with each subject teacher will last **7 minutes**. These consultations are an opportunity to discuss areas of excellence and development with various subject teachers in order to maximise progress and success in the year ahead.

Please visit <https://northwood.schoolcloud.co.uk/> to book your appointments. You can login with the following information:

- Student's First Preferred Name
- Student's Legal Surname
- Form Group

Tracking report was emailed to parents on 21st March. Please ensure you look at this in advance so that you are able to ask any specific or targeted questions. You will all need to join in the meeting so that you can all contribute and gain the maximum benefit from the feedback conversations.

If you are having problems booking appointments, please contact the school office, office@nwschool.org.uk, FAO Mr McManus, who will be happy to add appointments on your behalf.

Yours sincerely,

Mr McManus
